OUR GOALS:

SOBAT RELIEF AND DEVELOPMENT ORGANIZATION (SRDO) will work with community elders, families and the children themselves, to identify on-going needs in order to improve their lives and increase their hope, faith and to have a Peaceful South Sudan free from Poverty, Environmental degradation, Hunger and Diseases.

OUR AREA OF CONCERNS:

Sobat Relief and Development Organization (SRDO)" is to operate exclusively on the following broad areas such as

- ★ Food Security and livelihood (FSL)
- ★ Health and Nutrition
- ★ WASH
- ★ Protection and Psychosocial Support
- ★ Education
- ★ Anti-drug awareness.
- ★ Peace Building and Conflict Resolution
- ★ Youth and Women Empowerment
- ★ Cash transfer

OUR CORE VALUES:

I. PASSION:

This will be demonstrated through SRDO's fidelity to original Vision, Mission and the ideals of the founders

II. Respect for human rights

SRDO should not violate any person's fundamental human rights, with which each person is endowed, as recognized for example in the Universal Declaration of Human Rights. The organization recognize that all people are born free and equal in dignity and rights, and should be sensitive to the moral values, religion, customs, traditions, and cultures of the communities they serve.

SRDO also Recognize family as fundamental natural group unit of society promoting human rights and human dignity and respect the integrity of families. The organization also respect each individual's right of freedom of thought, conscience, and religion.

III. PARTNERSHIP:

SRDO will work with members of local communities, government agencies, donors and other stakeholders to create effective and lasting partnerships for beneficiary ownership of the intervention processes and for sustainability of project results.

IV. Responsibility

SRDO, entrusted with a responsibility to the public, should take ownership of the task at hand, taking the initiative and proactively pulling together resources of all types in order to find and implement feasible solutions. Its staff/practitioners are to demonstrate sense of ownership IV. Public mindedness

Public money must not be misused for selfish purposes and all public assets are to be treated with utmost seriousness, as a sacred public trust. SRDO also exhibit a responsible and caring attitude toward the environment in all of its activities.

V. Accountability

SRDO should be accountable for its actions and decisions, primarily to the community it serves, and also to its funding agencies, the government, staff and volunteers, members, partner organizations, and the public at large.

VI. Truthfulness

SRDO should be truthful in its dealings with its donors, project beneficiaries, staff, members, partner organizations, government, and the general public. Any information given out should be accurate, whether regarding itself and its projects, or regarding any individual, organization, project, or legislation it opposes or is discussing. The organization strongly oppose to, and not a willing partner to, corruption, bribery, and other financial improprieties or illegalities.

VII. Transparency

SRDO promote transparent in its dealings with the government, the public, donors, partners, beneficiaries, and other interested parties

VIII. Non-profit Integrity

To maintain its integrity as an NGO, the organization is to be organized and operated as a notforprofit organization, with any surplus generated through its operations to be utilized solely to help the organization fulfill its mission and objectives. The organization is not to be operated for the primary purpose of carrying on a trade or business, unrelated to the mission and stated objectives.

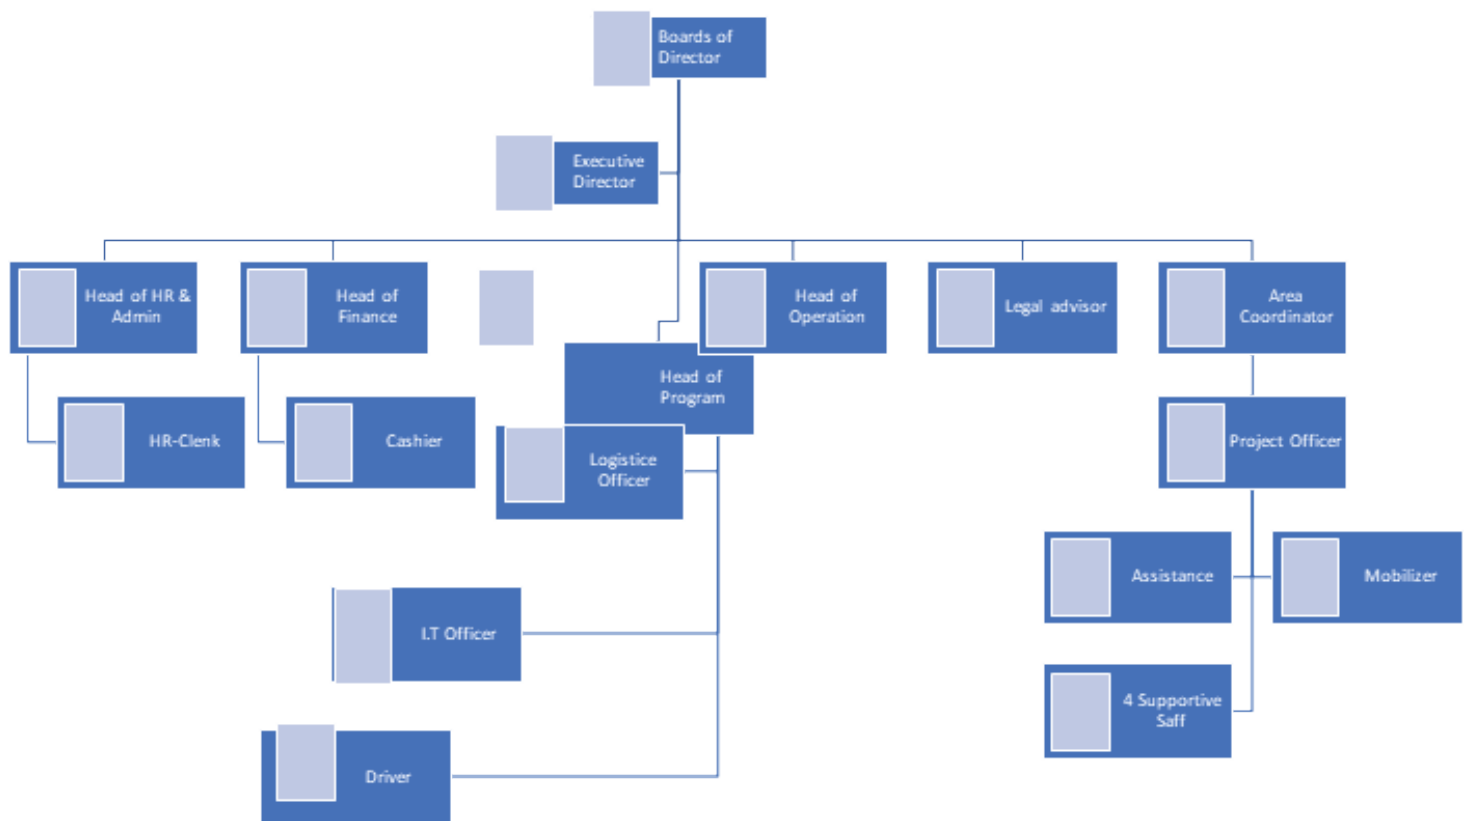

OUR OBJECTIVEA:

1. To organize stock-holder and youth for free debate on contemporary social issues; in rural and urban communities and to build the capacity of the community in Natural Resources Management; and resource utilization.
2. To participate in fostering social and economic development in the area by improving the standard of living through provision of basic social services and engaging in strategic investment activities;
3. To strive to mobilize resources, aimed at reducing the poverty levels; to provide proper and correct enlightenment, sensitization of the people on important public issues; to make and collaborate in the creation of an enabling environment for peace, harmony, security and unity among the people of communities, sub-clans and neighbours in South Sudan;
4. To train members and communities in modern and better farming, animal husbandry and agro-forestry practices including tree planting, horticulture and agro-processing;
5. To engage in improved agriculture and value addition in order to create employment for the community especially the poor in order to raise their socio-economic status and standard of living and hence foster poverty alleviation in the rural areas;
6. To involve the talents of the rural communities and disadvantaged groups in Human Development initiatives by encouraging free debate on contemporary social issues; and to promote and facilitate access to clean water and sanitary conditions in rural and urban areas;
7. To cooperate with government officials, business people, non-governmental organisations and people of good will for assistance, partnership and networking.
